The Arts Show

"Reading is my secret power to creativity"

The Arts Show will feature artwork by students and live performances from our school choirs and musicians. Bring the whole family along to view and experience the wonderful talents of our school community.

The event will begin on Tuesday 25 June with artwork viewing available from 3:00-4:00pm, followed by judging. Classes will visit the show throughout the day on Wednesday 26 and Thursday 27 June.

Artwork

Student class artwork will be on display and will be sent home on Friday 28 June. There is also an open category for students, staff and other family to display and sell additional art work. For student artwork to be judged it must be delivered to the office between 3-24 June and accompanied with a submission form, available from the school website or from the front office. Students will keep 100% of their sale price and adult sales will donate 10% of the sale price to the P&C.
