## BYOD Education Night

## **Apple Event**

We would like to invite you into store to find out how the Family Funded program can help you and your child purchase the right device for their studies.

On the night, we will present useful information for first time buyers and parents, helping you to take home the products that best suit your needs. We'll also have our Creative team in store to help you with the setup of your new device, if you wish to do so.

## **Contact Details**

Carindale Business Team 07 3199 2220 carindalebusiness@apple.com

## **Event Details**

Apple Carindale Tuesday, 21st of January 4:00pm - 7:00pm

To register your attendance and let us know what you device you'd like to purchase on the night, please go to https://forms.gle/56rvgxDoj1p14hsT8
