## **Learning at school is great!!!**

Do you want to know why school is great? For example you get lots of help. So that is one reason why school is great. We all know that in school you get help and support from the teachers. Another reason school is amazing you get to see your friends in class and at lunch. You even get to play on the playground with your friends at lunch. Don't you want your children to learn and have time? Send them to school because it is great!
